

★ WINTER GREETINGS FROM KINDERCARE!

This year seems to be flying by! We can't believe we are already in December! November was such a great and busy month! We had a couple special event visitors, Zumbini came and did some Zumba dances with us, and from Innovative Martial Arts, who showed the kids some martial art moves, the kids had a blast! We also had a couple special days this past month with show and tell as well as a pyjama day and sports day, its been busy and so fun!

Outside the monkey bars have been a top activity! It's amazing how great the kids are and are becoming on the monkey bars! They've also been great at cheering each other on and showing each other tips and tricks on how to get across! Inside the kids have been very creative this month! Many amazing crafts, and free art masterpieces, as well as building with magnates. It's been so neat seeing the amazing things they come up with to create. The house area is also a very busy area lately, the babies in there have been very well taken care of this past month!

A big thanks to parents for remembering to send kids with all the warm gear that is needed now to keep them comfortable in this constantly changing weather. It is going to keep getting colder (and snowier we would assume), please make sure that ski pants, hat, mitts, and neck warmers are sent every single day. Also, please ensure that your child has an extra set of clothes in their backpacks, just in case the snow play is just too much fun. Please make sure everything brought to school has your child's name on it, theres a better chance of everything being brought home if names are on it.

GREETINGS CONTINUED...

★ SHARE YOUR SKILLS WITH OUR KIDS!

We believe every family brings something special to our community and we'd love to invite you to share your skills, hobbies, or talents with the children. Whether it's a craft, a musical instrument, a sport or even a unique profession or cultural tradition, we'd love for you to come in and share it with us.

If you're interested, email admin@resns.org to share your idea. We're excited to see what you can bring to our classrooms and inspire the kids!
