

★ GREETINGS FROM KINDERCARE!

In what has felt like a blink of an eye we are already done our first month of school! Both Kindercare classes this year are a lot of fun! They are both so creative. We spend a lot of time reading books, building Lego, Magnatiles, colouring and painting! Outside both classes have loved playing on the play structure, swinging on the swings, and digging in the rocks and sand, it's been great getting to explore the outside together! Both classes have also had some time in the gym getting to play games and have some free time in the gym with the gym equipment.

A few reminders:

- It is going to start getting chilly outside. We do go outside every day for an extended period of time. Please ensure that your child is being sent with all appropriate gear to keep them warm/dry every day. As the weather cools, this will include jacket, splash pants/ski pants, mitts, boots, touque, neck warmer, etc. When these items come in, please make sure they are all labeled, things have a greater chance of making it back home if there is a name on them.
- Kindercare will be having a class photo day on Thursday October 3rd and Friday October 4th. This will just be a class photo, as their individual photos will be done in Kindergarten.
- If you haven't done so already, we ask to please ensure your child has a spare set of clothes, these can be kept in your child's backpack and then it's easy to access both at Kindercare and at Kindergarten.

KINDERCARE NEWS CONTINUED

★ Fun Days to Remember

Now that we are all more settled into the school year and Kindercaergarten and Kindercare, we thought it would be fun to start doing some special days through out the months going forward. These special days will include things such as pyjamas days, show and tell, themed days, etc. In October we will be doing a Bring-A-Book day. Please note which day is your Childs day to bring a book, we will read their book to the class and send it home with them at the end of the day. This is always a fun activity to let us know a bit more about the kids, what type of books they enjoy reading, and hear some new and different stories. If you have any questions on any of these days as they come up, please don't hesitate to ask.

This month we also have a few special events happening at Kindercare. Miss Sonja will be coming with her guitar to sing some songs with the kids. As well as Zumbini, a music and dance class. We will also be having our first Kindercare field trip! Friday, October 25th, we will be headed to The Beach Indoor Volleyball Centre. Please keep an eye out for more information on that in the upcoming weeks!

To finish off October, we will be doing Halloween parties on October 30th and 31st! We have an amazing day full of fun Halloween activities planned. Please ensure costumes are school friendly, and no weapons are allowed as part of their costume.

We are only a month in and are already positive this is going to be a fun filled year! We can't wait to see what kind of adventures await us in October!

- Love Miss Monica and Miss Mary
